Subject A037, second draft

Hi Moti,

Attached is a second draft of the application we discussed the other day, incorporating your corrections and the amended claims. There is one question (in bold) about the possibility of remote reconfiguring of CPE.

The list of Figs now comprises only Fig. 1 and Fig. 2.

Please let me have your comments a.s.a.p. to accelerate filing of the application.

Regards,
Helena Levin
